

MULTIDISCIPLINARY VISUAL PERFORMING ARTS

Let's get Creative!!!

As a starting point, please choose 1 "Major" and 2 "Minor" Fine Arts Disciplines to specialize in.

In University, a "Major" is your main area of study and a "Minor" is a second subject area you would like to specialize in. Having both a Major and a Minor means that you are giving yourself more options. You are more employable and have something to fall back on in case your first choice doesn't work out, or you change your mind part way through your education.

For this course, you will be creating most of your projects focusing on your "Major". You will also be completing at least one project using one or both of your "Minors".

Choices may include, but are not limited to:

- Dance
- Video
- Drama (Stand-up, Musicals...)
- Circus
- Screenwriting
- Directing
- Music
- Art (Sculpture, painting...)
- Animation
- Set Design
- Spoken word
- Creative Writing
